   Re: Deletion of cross-listed course: SOC 54 and PARA 54
   Effective fall 2026

   The Youth and Law 54 course will no longer be cross-listed with SOC 54 and PARA 54 due to several key reasons. This decision aims to streamline course offerings and reduce confusion among students regarding scheduling and prerequisites. By managing a single course, instructors can deliver a consistent curriculum more effectively, enhancing the overall learning experience. Additionally, eliminating the cross-listing allows for better resource allocation, including classroom space and faculty time, while fostering a cohesive learning environment where all students engage with the same materials and discussions. It also simplifies degree requirements and clarifies academic policies regarding grading and performance. Overall, these changes will lead to a more efficient and effective educational experience for students in the Youth and Law course
