Campus Committees

All interested faculty are asked to answer the following questions. Their answers are included below their names.

- 1) For those who don't know you, what experiences, training, backgrounds, identities, etc. make you a good candidate for service on this committee?
- 2) How do you think diversity matters (including diversity of disciplinary training/expertise, experiences, background, identities, etc.) for the committee to which you are applying?

Total limit for both questions is 300 words. (Longer responses will be truncated.)

Julie Keiffer-Lewis (IIS, African American Studies)

- 1) I'm the Department Chair of African American Studies and bring a unique perspective, often missing from leadership positions at De Anza.
- 2) Diversity matters in every committee being selected. It's important to have diverse perspectives because when only one, or a few perspective(s) are considered, things get missed.
