Subject: LinC Survey, Winter 2017

The survey of the LinC program students was conducted at the end of the Winter quarter in 2017. The survey was distributed to all students enrolled in a LinC course, which resulted in 59 valid respondents. All sections of the LinC program were given the opportunity to participate in the survey.

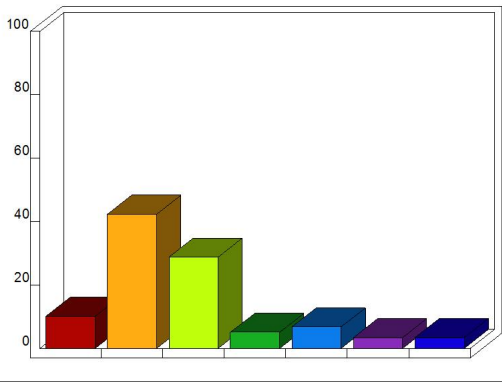

Important Highlights Include:

- 42% of respondents reported that they found out about the learning community by their teachers, 29% by a counselor, 10% by someone coming to class to talk about it, 7% saw it in the online schedule of classes, 5% by a friend and 3% on a flyer. The last 3% of respondents reported that the course title or topic interested them (Question 1).
- 62% of respondents stated they “very much” or “much” agree that their writing is more effective and clear (Question 18).
- 58% of respondents stated they “very much” or “much” agree they have more confidence in their academic abilities (Question 23).
- 83% of respondents described the quality of their relationship with teachers in this learning community is “very friendly, supportive and helpful” or “friendly, supportive and helpful” (Question 34).
- 88% of respondents described the quality of their relationship with classmates in this learning community as “very friendly, supportive and helpful” or “friendly, supportive and helpful” (Question 35).
- 81% of respondents described their overall educational experience in this learning community as “Excellent” or “very good.”
- 97% of respondents reported they would recommend this learning community to a friend or family member (Question 38).
